The Pupil Development Grant (PDG) is allocated to schools with pupils who come from low income families and are currently known to be eligible for free school meals (e-FSM) and pupils who have been looked after continuously for more than six months (LAC).

Schools are expected to make the best use of this funding to implement sustainable strategies that will quickly bring about changes for learners eligible for free school meals or who are LAC. As a school we have agreed the following three steps:

- 1. to identify the target group of pupils, its characteristics and needs*
- 2. to plan interventions which make the most effective use of resources*
- 3. to monitor and evaluate the impact of resources*

In 2019-20 Ysgol Gymraeg Bro Ogwr was provided with a PDG allocation of £58,650 and £13,300 for the Early Years PDG.

We have a total of 400 pupils on roll and of those 51 are eligible for free school meals. Over a three year average, 12.3% of our school population are eFSM.

At Ysgol Gymraeg Bro Ogwr we have a comprehensive plan, agreed and monitored by Bridgend Local Authority and CSCJES, to promote progress and remove barriers to learning for students eligible for this funding.

We have used the funding available towards:

- Implementation of personalised intervention for targeted pupils in Welsh, English, Mathematics and Wellbeing.*
- To periodically release the ALNCo to facilitate; Termly Progress meetings, monitor the Intervention Department, conduct Parent/Guardian IEP review meetings for School Action + pupils*
- To maintain and support ELSA trained support workers.*
- To support periodic training needs for Intervention Department staff.*
- The offset of educational visit costs for eFSM pupils*
- Ensure equal access to enrichment activities/extra-curricular clubs.*

The intended impact of the above actions is to:

- Improved attainment for targeted pupils through the deployment of additional support in Welsh, English, Mathematics and Wellbeing.*

- *Strengthens home-school relationships, creates an ethos of accountability amongst all school staff and provides a clear overview of the impact of our Intervention base.*
- *School is equipped to support the emotional wellbeing of our pupils.*

Our comprehensive plan which includes details in respect to how we're spending the Grant is within our School Improvement Plan.
