

Dear Parents, carers and guardians

The local authority has been working on an emergency mobilisation plan to make available, for collection, a take-away packed lunch for those pupils eligible for free school meals from Monday 23 March 2020.

23 collection points have been identified within local schools (see table below). The packed lunches will be available in the main reception area of these schools between 1pm and 2pm. We are hoping to move the collection time to 12 noon to 1pm following our assessment of suitability of these timings.

Please only attend the nearest collection point to your home.

On Monday 23 March 2020, we will be providing one day's lunch provision but we hope to move to providing two days' provision as soon as food supply deliveries allow us to. This change will be communicated to you at your collection school.

I would be grateful if you could limit the amount of people attending the school collection points on each day.

Many thanks

**Lindsay Iorwerth Harvey (Mr)**
