

05.01.21

Dear Parents / Carers

Following the recent announcements and information provided in the letter from Bridgend's Director of Education, here are the current updates from school.

Return to School

Please be advised this information is still subject to change pending any WG and BCBC reviews.

On 6, 7 and 8 January, we are providing on-site support for the **children of critical workers and Vulnerable learners** during normal school hours.

This provision is now extended until Friday 15 January.

If you are a critical worker as defined in the letter dated 04.01.21 and require on-site support for any days next week, week commencing Monday 11 January, please complete an online booking form by 12 midday on Thursday 7 January to help plan staffing levels, appropriate school meal and learner transport provision. Link to the online booking form is:

School Work

All pupils, whether on-site or learning at home, will receive and have access to the same learning activities. School staff will be scheduled on a rota, either in class with our on-site pupils or supporting online learning via Hwb. Year group staff will therefore answer queries and respond with feedback to submitted work when they are able during school hours. Any urgent queries or requests for support can be directed to the school office and will be passed to the relevant member of staff in the year group who is available at that time.

As a school we will re-introduce our live 'check-in' sessions from Monday 11 January, as per BCBC guidance. Scheduled meetings will appear on Hwb.

We do not currently have any information in regard to when we are able to welcome all pupils back.

Dinners - School canteen is operating as normal.

Uniform - School uniform should be worn at all times when attending the on-site provision.

Breakfast Club - Unfortunately, BCBC is not offering Breakfast Club provision during this period of partial closure. Breakfast Club will not re-start until all pupils restart. School provision for critical worker and vulnerable group pupils is for school hours only.

If you require any assistance, please email the school office on admin.broogwr@bridgend.gov.uk.

Thank you for your continued support.

Kind Regards

Sharon Jayne
