Dates for the Summer Term

We are pleased to announce that we would like to welcome you as parents / carers back on site this Summer Term for various events and activities. With COVID-19 restrictions easing we feel it is now a good time to invite you back to school, although we may still apply some minor restrictions as the virus is still present within our communities, for example, face coverings indoors. Further details and information regarding the events will be sent out closer to the dates.

There are also many activities and visits planned for all pupils across the school during the Summer Term. Please keep an eye on all correspondence from the school and the class teachers via the text message service, Parent App and website, along with regular information from Mrs Rhiannon Richards.
