We were very happy to welcome new members of staff to Ysgol Bro Ogwr in January. It was also a pleasure to welcome the part time Nursery pupils. Our pupils have welcomed the new year in undertaking a range of exciting activities.

Year 4 was lucky to watch an amazing Show by @Mewn Cymeriad on Harry Tudur. Year 4 children thoroughly enjoyed!

Thank you to everyone who contributed and supported the wearing of red clothing. We raised £440.00 towards Velindre Hospital. Every penny raised from our Wear Red campaign will be invested back into Velindre Cancer Centre to fund a range of services, roles and resources that have a significant impact on the experience and treatment journey of patients and their families. Also on the same day was 'Dydd Miwsig Cymru'. Whether you like indie music, rock, punk, funk, folk, electronica, hip hop or anything else, incredible music is created in Welsh for you to discover. The day celebrates all kinds of Welsh music.

Children's Mental Health Week ran from the 7th to the 13th February and was an opportunity to address and raise awareness of children and young people's mental health.

As a school community, children and staff encouraged the use of clothing and colour to express themselves. Children dressed as simple or as exquisite as they wanted! 'Dressing to Express Yourself' was an opportunity to self-express and celebrate a range of emotions. The day was also a great opportunity to be open about mental health and start conversations within our school community.

Everyone had a lovely day celebrating the Urdd centenary, the children wore red, white and green. The Urdd and its co-ordinators broke two world records!!!

The largest number of videos of people singing the same song on Twitter within an hour was 250, but the Urdd and its friends have posted 1176!!!! A Fantastic Achievement!!!!

Year 6 enjoyed visiting the Dylan Thomas theatre in Swansea to see an incredible show by the 'Na'Nog Theatre 'The Arandora Star' and also a question and answer session with the cast.

On Friday the ninth of March there was an opportunity for everyone to come to school wearing blue and yellow in order to show our support for the people of Ukraine. As part of the day we asked for a donation to raise money for the BRC appeal. Over £1,335.00 had been collected towards people affected by the situation in Ukraine. Thank you very much for your donations.

World Book Day - For World Book Day, we made an 'Exchange Shop' we asked children to bring one or two books in good condition into school. The children then choose a new book to go home on 'World Book Day'. Thank you To everyone who brought books in.

Year 4 were very lucky to be visited by Rozz and Riley from Cariad Pet Therapy. The children thoroughly enjoyed the visit. The children enjoyed asking questions, watching Riley perform tricks and learning facts about therapy dogs.

Thank you very kindly for being very generous again and supporting another worthy cause. On Red Nose Day, a fantastic total of £289.00 was raised. Thank you for supporting the school and their fundraising ideas at all times.

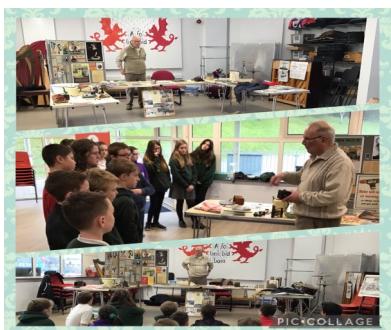

The Reception class was visited by the talented artist Sion Tomos Owen to create a Seasonal mural. All pupils enjoyed it very much and everyone contributed to this incredible piece of work!

The football and netball season started very wet and muddy. Everyone enjoyed and we look forward to a lot more games this season. Good luck to every player. Once again the cross-country season began and we would like to thank all the parents and children for turning up. Well done to all those who competed! Years 4-6 were fortunate enough to be able to have a full week of swimming lessons and each child doing his utmost in the pool. Very proud of you all.

Year 6 has been extremely busy this term and has received many visits from external agencies. Visitors include the Osprey Community who delivered a PE lesson to the children. Mr Carter visited the school and taught the children a lot about the Second World War. Technocamps Workshop visited the school. Technocamps encourages learners to use computer thinking and problem solving skills to complete collaborative challenges individually and in small teams. Learners will complete a number of challenges that include physical and mental tasks that will develop their co-operation, communication, problem solving and computational thinking. Year 6 went off site to spend the morning with Crucial Crew. Crucial Crew is a multi-agency event organised through schools, by the police and supported by the fire service. They aim to raise awareness of safety issues for school children in Year 6. Everyone had a good day when visiting Llangynwyd during a transition day.

The Theme of Year 1 this term is the World and the Vale and went on a walk around Brackla to look at the different types of housing that people live in. The children enjoyed the walk around Brackla while also learning basic road safety skills.
