

7.6.22

Dear Parents and Carers,

We would like to offer our apologies for the confusion yesterday regarding our Fortnight of Health and Wellbeing activities.

Such a huge variety of activities has been arranged for all our pupils from Meithrin up to Yr 6.

This letter aims to provide you with all the information you need, dates, activities and what our pupils need to wear.

We hope our pupils will enjoy these two weeks and discover new interests and skills which will carry them forward.

**6.6.22-17.6.22** – Health and Wellbeing Fortnight. All pupils to wear PE kit to school every day. The only exception being **13.6.22**. All pupils to wear school uniform for the school photograph.

**Sports Days- All start at 1pm weather permitting.** School field will be inspected each morning to ensure safety for all. If due to weather conditions we need to rearrange you will be informed by **10am** via text.

**13.6.22** – Yrs 3 and 4 – these pupils need to wear uniform to school and bring their PE kit to change for the afternoon.

**14.6.22-** Full time Nursery and Reception

We are unable to invite our part time Nursery to participate.

**15.6.22-** Yrs 1 and 2

**16.6.22** – Yrs 5 and 6

Pupils in Yrs 3,4,5 and 6 are in Houses. They are allowed to wear a t-shirt in their house colour for Sports Day. You will be informed of this by your child's class teacher.

The Healthy Picnic will be on Friday **10.6.22** – the picnic is held in the afternoon **AFTER** the pupils have had their lunch. For those pupils who have sandwiches could you clearly mark which is their lunch and which is their picnic please.

Please see the timetable of events for these two weeks, photographs will be posted on Twitter.

Alongside the timetabled events our pupils will be learning about keeping physically and mentally healthy during class activities.

Thank you for your continued support.
